WEST BEACH

S . L . S . C

Come and enjoy the last few sunsets at club with the exciting new redevelopment commencing in 2022.

Our sister restaurant “Beachside” is located 100m down the road and is currently open 4 nights a week (Thu-Sun) but as soon as the redevelopment starts we will be open 7 days a week for breakfast, lunch and dinner and fully operating from there whilst the new facility is being built.

Remember all proceeds from both venues help keep our lifesavers patrolling our beaches.

So sit back, grab a bite to eat and a drink and enjoy yourself knowing you are supporting the club that supports the community.
